

**CDC/ATSDR Information Quality Peer Review****CDC/ATSDR Peer Review Agenda****Title**

Physical Activity and Public Health Updated Recommendation from the Centers for Disease Control and Prevention and the American College of Sports Medicine

**Subject**

Update of current CDC/ACSM recommendations on physical activity

**Purpose**

The purpose of this report is to provide an update of the 1995 CDC/ACSM recommendation on physical activity. The intent of the update is to provide a more comprehensive and explicit public health physical activity recommendation for adults based upon available evidence of the health benefits of activity.
